WHO WE ARE

Flores de la Hacienda is a family owned business with 30 years of experience, dedicated to the production and marketing of carnations and spray carnations. The experience gained through all these years, in addition to our qualified team, has been the key to produce high quality flowers. Due to new varieties of carnations we produced every year and the ability to comply our client's requirements, we are able to target international specialized markets. Thus, achieving significant recognition in the fresh-cut flower market. Flores de la Hacienda is committed to the progress and wellbeing of every one of our collaborators, their families and the community. Above all, we are proud of taking care of our environment for a more sustainable future.

JPN
